Welcome!

Bear Care provides child care for children 6 weeks to 12 years of age. We are open from 6:30 AM-5:30 PM. Our goal is to provide a fun and safe learning environment for children, while encouraging social, emotional, intellectual, and physical development. Children receive quality personal and individualized care in a warm and loving environment, where they can feel safe and happy. The success of Bear Care is driven by the dedication of staff to care for your child(ren).

We provide a nurturing atmosphere, along with many areas for the children to actively learn and play. For children of all ages, we incorporate lots of fun activities into their daily schedule that include arts and crafts, free-play, structured-play, music, song and dance, painting, coloring, various creative and educational projects, and much more.
