Dear Parents,

Welcome to the 2017-2018 school year with Bishop Garrigan Schools! As we grow closer to the start of our school year, many of you are making preparations for the new school year. The year brings new lessons, a new teacher, and new supplies. The new year means a fresh start. Those who are new to the system, be assured that you can count on us to provide the best possible environment for your child's learning.

The Seton staff is eager to meet new families and continue the relationship with old friendships. We are always working on programs that we feel will create success for your child.

We are partners in your child's education. Our door is always open to you, and we are looking forward to the beginning of this school year. Don't ever hesitate to call, email, or visit.

We are very blessed to be able to be with you as we begin our journey this year.

Mr. Lynn Miller Mrs. Kristie Hough Mrs. Christy Peterson

ARRIVALS AND DISMISSALS

Doors at Seton open at 7:40 a.m. Breakfast will go from 7:40-8:15. **Students in K-3 will use the SOUTH doors.** You can pull in the parking lot directly in front of the parish center to drop off your child(ren). The north door will be used for the early childhood and daycare.

ARRIVALS: Please do not have your child arrive before 7:40. Students will sit in their assigned places in the hall until 8:05 at which time they will be allowed in their classroom. You may only arrive earlier if you are signed up for the Before School Care.

DISMISSAL: Students will be dismissed at 3:17. We will continue to use the south parking lots at dismissal time. Please do not park in the parking lot directly in front of the parish center at dismissal time. We will still cross the street at the crosswalks for safety reasons. Please do not park in the first row of the parking lots. This gives the students a space to walk safely. Also, please wait until the stop sign is removed before leaving in your vehicle. The students' safety is our utmost concern.

Each student will be given a card that lists how they will be going home at the end of the day. This will be attached on the student's bookbag.

Our security system is in place. The doors will be locked at 8:30. Please follow the instructions on the door when buzzing in. Please state your name and the reason why you are entering. Please also remember to always check in the office first before going to your child's classroom or anywhere in the building.

FALL REGISTRATION

We are requesting everyone to go JMC to register your students online, even if you did this last spring. Click on student registration on the left and make sure you are in the 2017-18 school year when you log in. Double check that all information is correct.

students, \$1.70 for adults. Preschool and Kindergarten will pay a yearly \$30 milk fee.

The Federal Hot Lunch Application for hot lunch and breakfast assistance can be picked up in the office. They can also be found on the Bishop Garrigan webpage. This needs to be filled out every year. The school greatly benefits when you qualify for free or reduced lunch as we receive more per lunch from the State of Iowa for each lunch than we charge. Other money received for programs like Title I reading is based on the number of free and reduced lunches. Please consider applying.

VIRTUS TRAINING

All adults who work with students either in the classroom, on field trips, or during class projects are required to have Virtus training. You may register online at virtus.org to take the short class.

REQUIRED NOTICES
