School Supply Lists for Grades PreK-8

Do you wish that school supply shopping could be easier? We have the answer that will save you time and possibly money!

Bishop Garrigan Schools will be offering an online school supply purchasing program for next school year. The online process is simple. Use the attached flyer or this link <https://www.educationalproducts.com/ShopPacks/> to go to the Bishop Garrigan School Supply Box website. The code for Bishop Garrigan is BGS000. Once on that site you can purchase your child's school supplies for next year by choosing your child's grade level and using your credit card to pay. Orders will be taken from **April 26 - June 20**. We are sending this out now so that you have ample time should questions or problems arise. The boxes can be picked up on August 16 and 17 at your child's school. Boxes not picked up will be placed in your child's classroom before the first day of school.

Attached you will find the [school supply lists](#) for next year. The supply lists indicate the items that are provided in the box and the items that you may still want to purchase such as a backpack, soft pencil case, Kleenex, nap towel, etc.

Don't want to purchase online...not a problem. You can still purchase your school supplies in the way that you have always purchased them! The online purchasing is just one way that we want to help you save time.

Please call either the Garrigan or Seton office if you have questions. Questions can also be asked by replying to this email.

Happy Shopping!
Mrs. Hough and Mrs. Peterson
